

# SCUBA TUNE-UP

Aquatic Adventures Scuba & Swim has been training divers in Southern Colorado area since 2006.....

## What is the PADI Scuba Tune-up Course?

The Scuba Tune-up course is for certified divers that have had a lapse in diving for many months or years. It reviews your knowledge on important safety rules of diving, and allows you pool time to practice your dive skills.

## What Do I Need to Know Before I start?

- The course knowledge refreshment is done through E-Learning
- You will need to review your PADI RDP Dive tables.

## When & Where Do the Classes Meet?

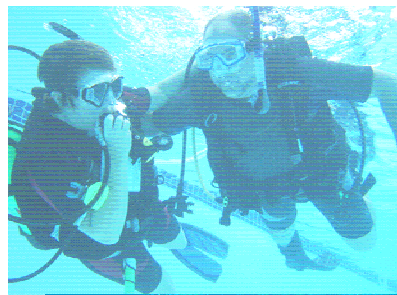

- The course will be independently scheduled and will take place at our pool site.

## What Diving Equipment Will I Need?

- You may use your own equipment with our tanks and weights **OR**,
- Aquatic Adventures will provide all necessary equipment.

## What Will I Be Doing?

- Taking the PADI Scuba Tune-up E-Learning course.
- Reviewing the 19 Open Water Diver skills in the pool.

## How Long Does it Take?

- Approximately 2-3 hours pool time plus E-Learning time.

## What Will I Need?

- Proof of certification card
- PADI Medical Statement signed by your physician if necessary.

**Course Fee: \$100.00**

### Includes:

- PADI Scuba Tune-up E-Learning course: \$50
- Supervised Pool Skills Practice and Use of Equipment: \$50
- Course Completion Sticker.
