

# ADVANCED OPEN WATER

## PADI ADVENTURES IN DIVING COURSE

Aquatic Adventures Scuba & Swim has been training divers in Southern Colorado area since 2006....

### What is the PADI Adventures in Diving Course?

The Adventures in Diving Course is the next step following your PADI Open Water Diver certification. If you complete 3 open water dives, you will be certified as a PADI Adventure Diver. If you complete 5 open water dives, you will be certified as a PADI Advanced Open Water Diver.

### What Do I Need to Know Before I Start?

You must be a certified Open Water Diver and have a drive to continue and improve on your diving skills.

### When & Where Do the Classes Meet?

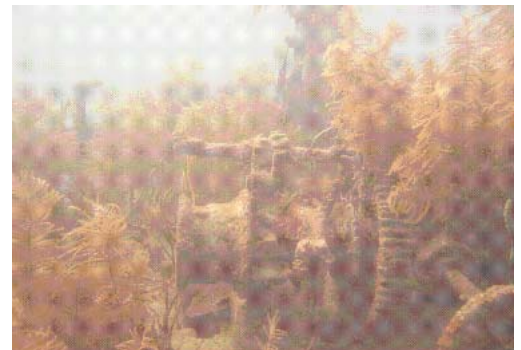

- Knowledge Development is done online via the PADI E-Learning course.
- Open Water Dives can be completed on your next dive vacation or in New Mexico or Utah.

### What Diving Equipment Will I Need?

- You are responsible for all necessary scuba equipment needed for the open water training except tanks and weights.
- Aquatic Adventures offers all needed equipment for rental.

### What Will I Be Doing?

Experience real adventure with the PADI Advanced Open Water Diver course. As you step beyond the PADI Open Water Diver level, you make five dives and have the opportunity to try some of diving's most rewarding and useful specialty activities.

### What Will I Need?

- All scuba equipment (except tanks and weights) including compass, signaling device, and either the ERDP-ML or a dive computer.

### Course Fee:

- \$120.00 PADI E-Learning Advanced Open Water Diver Course
- Price varies for Open Water Dives dependent on where completed
