

AMERICAN RED CROSS LEARN TO SWIM PROGRAM LEVELS 1-6

What Is The ARC Learn To Swim Program?

The ARC Learn To Swim Program was developed to teach your child how to swim and be safe in and around water through a series of classes that build your child's skills from beginner to advanced swimming. The classes are taught in small groups, with no more than 6 students.

What Will My Child Learn?

Your child will learn the swim skills appropriate to their age and learning level. (1-6) As they learn these skills, they will "pass" into the next level and learn new, more challenging skills with each level.

Once your child has passed all 6 levels, your child would be able to swim competitively if desired.

Will The Program Work For My Child?

Most children will learn the skills of the program if they do not have excessive fear or special needs. Children with water fear and special needs can still learn, but generally at a slower rate. Since every child is different, we can not guarantee that every child will succeed. However, experience has shown that most children can learn to swim with time and patience.

When & Where Do The Classes Meet?

Our summer schedule is Monday, Wednesday, Friday mornings from 8:45-11:00am

Each class combines 2 skills levels. (Levels 1&2, 3&4, 5&6)

There are 6 forty minute classes per session. (2 consecutive weeks, sessions run back to back)

Our school year schedule is Monday and Thursday evenings from 5:45-7:55 (3 consecutive weeks, then skip one week)

The classes are held at our pool at 825 S. Rudio Drive, Pueblo West.

What Will My Child Need?

Swimsuit and towel.

Swim goggles are required and can be purchased in our store. Prices vary from \$12.99-\$14.99, plus 3.9% tax. (Only a few styles will fit your child's face without leaking and/or fogging.)

What Does The Program Cost?

The price for each individual student per session is \$35.

Class sizes are limited to 6 students (per 2 level combined class).
