Diver Package Price: **\$2975.00** Deluxe Cabin
per person double occupancy

Come aboard the beautiful Sun Dancer II, the largest of the Dancer Fleet at 138 feet and travel along the western hemispheres longest reef. Dive on some of the most popular dive sites in the world including the Blue Hole and Half Moon Caye Wall.

The Blue Hole is an encounter with huge stalactites formed thousands of years ago. Measuring about 1,000 feet in diameter and more than 400 feet deep, you can dive among the stalactites at a depth of 110 to 130 feet. This is a very memorable dive.

At Half Moon Caye Wall, Hawksbill turtles and Spotted Eagle Rays are regular sights and there are some of the most spectacular sponge formations found anywhere.

Divers and snorkelers can experience beautifully painted underwater coral formations and a variety of marine creatures like moray eels, spiny lobsters, giant grouper, and even catch a glimpse of an eagle ray gracefully cruising along the wall. Join us onto your floating resort experience.
