Curacao is one of the five islands of the Netherlands Antilles in the Caribbean. It is located 40 miles off the coast of Venezuela, 42 miles east of Aruba, and 30 miles west of Bonaire, and is the largest of the five islands.

Lions Dive & Beach Resort is by far the sportiest hotel on Curacao and its superb location makes it a perfect launch point for discovering some of Caribbean's best kept secrets. The resort sits on an idyllic, palm studded private beach that overlooks Curacao famously clear waters and the fringing reef of Curacao's National Underwater Park. Lion's Dive offers 3 bar-restaurants on property and you can enjoy the underwater world with premier dive shop Ocean Encounters!

Scuba Diving is a breathtaking experience in Curacao. It is known for its underwater paradise consisting of coral reefs and sponge formations with thousands of colorful tropical fish. The water is pleasant and the visibility is excellent. Curacao has over forty dive sites, and many of the dive sites are accessible from beaches, which allows for a nice combination of beach time and shore-diving. Join us and see the undiscovered gem of the Caribbean sea for yourself!
